## ANGEL SO FAR

May 4, 2005

Classical Spanish Arabian mare

\*S S Orion x \*Jezabel SSB+//

1: A pleasure to the eyes!  
2: Engagement  
3: Angel & Jezabel –  
first dressage show for  
both mother and  
daughter; Jezabel  
consistently placed first  
above 14–17 competi-  
tors, and Angel placed  
consistently second to  
her mother. This was

the only dressage show for mother or  
daughter, but they were clearly the top  
horses there, which was lovely to see.

ANGEL SO FAR's sire is \*S S ORION, bred by Yeguada Flor de Lis, Madrid, Spain. \*S S ORION was Region III Third Level Musical Free Style Dressage Champion. Her dam, \*JEZABEL SSB+//, earned all the points for her Legion of Excellence from Hunter and Jumper classes, the first Arabian horse to accomplish this goal, and she also earned many, many points in Sport Horse under Saddle and Equitation classes. CZANTIAGO++/ has produced two outstanding daughters to ANGEL's sister, BEL STARR (ABDULLAH, Trakehner, x \*JEZABEL SSB+//, GAAJA and HAVAANA NIGHTS. ANGEL SO FAR should produce a spectacular foal by CZANTIAGO++/.
