

STANLEY RANCH

presents for your consideration:

BARBARELA

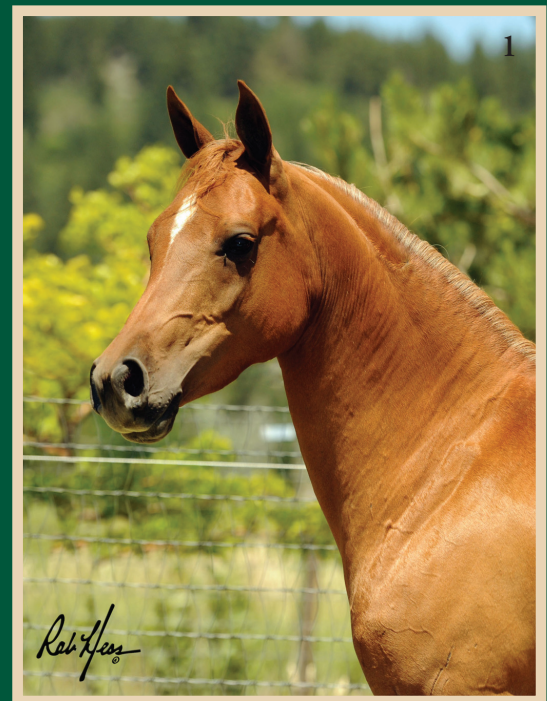

May 7, 2006

Wradar (bay) x Jialeah (bay)

Distance riding and jumping lines, with a strong dressage component

BARBARELA is beautiful, kind and very talented. She will not let you down. Ready to finish out for the upcoming season, “Barbie” clearly has talents in several directions, depending on the rider’s focus of study. BARBARELA should produce an excellent foal from CZANTIAGO+//.

- 1: Barbarela’s lovely head
- 2: Substantial in body and form to function – here’s looking at you!
- 3: Suspension; it’s easy for her.
- 4: Barbarela in her winter coat
